

Online Parent/Student Directory Information Use Permission Form

The Beacon Parent Council would like to create an online directory that parents can easily access from the Beacon website. We would like to use the following information: Parent(s) names, home address, phone numbers, email addresses and children's names. If you would like some of the information above omitted, edited or if you prefer not to be included please let us know below.

I give permission for Beacon Country Day School to use the following information for the Beacon online directory:
